Anand Insitute of Higher Technology

B.E., ECE, 2010 - 2014

RECOGNITION

Writer at UX Collective,

Medium Blog

Best Budding Star - 2015,

ReDIM

EXPERIENCE

UI/UX Designer - Freelancer

Jan 18 - Present

Collaborated closely with the fellow designer and did user-research, ideate, strategize, prototype UI screens.

Delivered a wide variety of cross media project to various business startups.

UI/UX Designer - ReDIM

June 16 - Dec 17

Created a high level mockup, UI assets and user flow for the casino gaming mobile interface which led to 20% increase in player traffic.

Collaborated with the 24/7 application support team to understand their needs and pain points to design web based leave management tool.

RECENT PROJECTS

Garbage collection app - Omni Trash

Identified the real world user problem and created a mobile user experience (prototype) with minimalistic visual design to solve the problem.

<https://goo.gl/zzyDRP>

Passengers alert app - Wakeapp

Created a mobile app mockup with a user-centric approach from the problem statement to hi-fi clickable prototype.
